

CORONATION QUIZ

How much do you know about Ash?

You have 48 hours to find the answers to these questions, some of which will require your powers of observation and some will need research. A map of the parish is provided, which may help.

There is a total of 50 points on offer and, in the event of a tie, the judges will choose the best sketch – having regard to the age of the artist – to decide the competition. Sketches should make it clear which building is the subject and the age of the artist, if under 12 years old.

Completed papers must be handed in to the pavilion by 2pm on Sunday 7th May. It would help greatly if papers were stapled together but please ensure that the family/team name appears on each page

A crisp £20 note is waiting for the winner.

Good luck!

Family name.....
