ASH PARISH COUNCIL UPDATE Parish Announcement

We are thrilled to share the great news of the appointment of our new Parish Clerk and Responsible Financial Officer, Zannetta Bougourd.

With her extensive experience and deep commitment to community service, Zannetta is a valuable addition to our team. Her strong background in parish management and financial oversight will be instrumental in helping us achieve our goals and maintain the high standards of service we strive to provide. We are confident that her skills and dedication will bring about positive and meaningful contributions to our community.

We invite everyone to join us in warmly welcoming Zannetta as she embarks on this important new chapter with us.

UPDATE: MONTHLY ASH PARISH COUNCIL SURGERY CONTINUES AFTER SUCCESSFUL TRIAL

We are delighted to announce that our recently introduced Ash Parish Council Surgery has been a great success and has been well attended by residents. Due to the positive feedback and the valuable discussions that took place, we are pleased to confirm that the surgery will now continue as a regular monthly event.

This initiative has proven to be a useful platform for residents to voice their concerns, seek assistance, and engage in meaningful conversations about the future of our village. Moving forward, the surgery will continue to be held on the last Wednesday of every month from 10:30 to 11:30 am at Ash Pavilion.

As always, no appointment is necessary—simply drop in. While we may not be able to resolve issues immediately during the session, this remains a vital opportunity to bring your concerns directly to the attention of the Parish Council.

We look forward to continuing these valuable interactions and hope to see more of you in the coming months.

CONSULTATION ON DESIGNATION OF ASH MILLENNIUM WOOD AS A LOCAL NATURE RESERVE (LNR) UPDATE

The consultation with Parishioners showed that a significant majority support the designation of Ash Millennium Wood as a Local Nature Reserve. Natural England has asked that we consider identifying other adjacent areas for nature conservation and that we look for common themes identified by those objecting.

- Adjacent areas: Ash Biodiversity Working Group will explore options and report to the PC.
- Objections: The biggest points raised in objection are changes in ownership/management arrangements and new restrictions on access. In both these there is a misunderstanding on the part of objectors because no such changes are proposed as a result of designation.

The process is now with Somerset Council to take forward.

WANT TO HELP NATURE IN ASH?

Why Volunteer?

By volunteering, you can help learn about and improve your local environment, get some regular fresh air and exercise and make new friends. Volunteering can help you gain new skills and experience, improve your mental and physical health and help you to feel more connected with your community.

How can you help?

Volunteers can help us look after the Millennium Wood as well as other sites in Ash. You can help in a number of ways, not all of which involve getting your hands dirty! As a volunteer you can:

- Work on practical nature conservation tasks
- Help to organise and deliver projects
- Propagate trees and plants
- Water new trees
- Contribute to wildlife surveys
- Help look after wildflowers
- Use your agricultural machinery to maintain land and hedges
- Mow paths
- Look after bird boxes and bird feeders
- Dog owner? Help clean up and educate other dog walkers

There will, of course, be lots of other ways you can help, depending on your interests!
Interested in helping nature?

CONSECRATION OF THE CEMETARY EXTENTION

We are pleased to announce that on Sunday, 21st July, the cemetery extension was formally consecrated in a moving and solemn ceremony. The service was graciously led by the Rt Revd Dr. Michael Langrish, who offered prayers and blessings over the newly extended grounds, ensuring they are set aside for their sacred purpose that will now serve as a place of rest and reflection for generations to come.

The consecration ceremony was attended by numerous parishioners, reflecting the strong sense of community that defines our parish. The atmosphere was one of reverence and unity, as we gathered to witness this important moment in the life of our church and community.

After the ceremony, those in attendance were invited to the Bell Inn, where the spirit of fellowship continued over refreshments. Tea and coffee were served, accompanied by a selection of exceptionally nice cakes, which were thoroughly enjoyed by all. The gathering provided a wonderful opportunity for conversation and connection, allowing everyone to reflect on the significance of the day.

We would like to extend our sincere thanks to the Rt Revd Dr. Michael Langrish for leading the consecration, as well as to everyone who took part in the service and the subsequent gathering. Your presence and participation helped to make this a truly memorable occasion for our parish.

SAVE THE DATES!

VILLAGE CHARITY CRICKET MATCH UPDATE

The Village Charity Cricket Match will now take place on SATURDAY 7th SEPTEMBER 2024 at Ash Pavilion & Recreation Ground.

Raising money for St Margaret's Hospice Home Care, Parkinson's Support (SW) and Cancer Research UK.

A POO-LITE REMINDER!

It has recently been noticed that there has been an increase in dog poo not being picked up around the village. We are lucky enough to have some lovely areas around our village to walk our dogs, but they are also there for non-dog owners, so let's not spoil it for them. Be a responsible dog-owner, keep a close eye on your dog, pick up their poo and bin it in the dog poo bins provided around the village.

If the dog poo bins are full, please do not leave your poo bags on the bin lid or ground around the bins, there are no poo bin fairies! Take it home and put it in your own refuse bin.

Remember to be a responsible dog owner and pick up after your furry friend!

Let's keep our village clean for everyone to enjoy.

GUIDELINES FOR PARISH COUNCIL NOTICEBOARD USE

Dear Neighbours,

We hope this message finds you well. We would like to bring to your attention some important guidelines regarding the use of our noticeboards.

Recently, we had to remove a poster that was taped to the outside of one of the noticeboards. Unfortunately, this has left glue residue on the glass, requiring additional cleaning. To prevent similar issues in the future and to maintain the cleanliness and usability of our noticeboards, we kindly ask everyone to follow these guidelines:

1. **Please Do Not Tape Notices to the Outside:** Any notices taped to the outside of the noticeboards will be removed. While we understand that the content of the notices may be important, this practice damages the surface and makes it difficult to keep the boards clean and presentable.
2. **Proper Way to Post Notices:** If you have a notice that you would like to place on the noticeboard, please either hand it to a member of the Parish Council or email us at ashalertemals@gmail.com with your request. We will review your notice and post it on the board if it meets our guidelines. This process ensures that all notices are properly displayed and that the noticeboards remain tidy.

We value the contributions and information shared by our community and want to make sure that everyone can post notices in an appropriate manner. By adhering to these guidelines, you help us maintain a welcoming and organized environment for everyone.

Thank you for your cooperation in keeping our noticeboards clean and organized.

ANOTHER GREEN FLAG AWARD FOR ASH MILLENNIUM WOOD

Ash Millennium Wood has achieved a Green Flag Award again this year. The Green Flag Award scheme, managed by environmental charity Keep Britain Tidy under licence from the Ministry of Housing, Communities & Local Government, recognises and rewards well-managed parks and green spaces, setting the benchmark standard for the management of green spaces across the United Kingdom and around the world.

Keep Britain Tidy's Green Flag Award Scheme Manager, Paul Todd, said: "I would like to congratulate everyone involved on achieving a Green Flag Award. These are vital green spaces for communities in Somerset to socialise, enjoy nature, and for children to play safely. They also provide important opportunities for park users to improve their physical and mental health.

"We know that staff and volunteers work tirelessly to ensure that it maintains the high standards of the Green Flag Award, everyone involved should feel extremely proud of their achievement. It is important that our free to use spaces are maintained to the Green Flag Award standard, making them accessible for all members of the community while ensuring the environment is protected."

Amazing! Well done and thank you to the small band of volunteers who look after Ash Millennium Wood and for all the hard work you have put in to have once again won this prestigious award.

Over the years you have created a truly wonderful facility for the community of Ash to enjoy. Thank you. 🏆

MINUTES OF A MEETING OF ASH PARISH COUNCIL HELD ON MONDAY 1ST JULY 2024 AT 19.00HRS

Present: Cllr Caz Halfhide (Acting Chair), Cllrs Antoinette Groves, Zak England, Tim Groves, Lesley Andrew. In Attendance: SCLlr Emily Pearlstone

RESOLVED: Approved. All in favour

24/73 Reports – To receive reports from:

- a. Parish Councillors
- b. Working Groups

Cllr Andrew reported on the 'surgery' held at the Coffee and Chat group in the Pavillion. She felt that it had been very worthwhile and that she had been requested to visit in a month. Several issues were raised – some of the street lighting in the village was either on all day or not on at all. People were advised to report it to the address shown on the back of the newsletter. LA has also reported it. It is best to report using the number on the light or using What3Words to identify

location. Cllr A Groves will add the information on how to report this in the next newsletter. There was 1 enquiry of and interment of ashes which is being dealt with.

An offer of assistance to inspect playground equipment was passed to Cllr A Groves. This led to a discussion regarding dogs in the play area, and it was confirmed that no dogs were permitted in the play area. Several people mentioned speeding and Cllr A Groves suggested they might like to help with the local speed watch scheme which would identify speeding vehicles. Cllr A Groves said she had received a complaint regarding the state of the pathway from Durnfield to Ash. The pathway is very overgrown. Cllr Groves has acknowledged the complaint and has sent a report to Somerset Council as this path gives a safe route for walkers and cyclists wishing to avoid the A303. She will keep us informed on this matter; Cllr England offered to go and look at the situation and report back.

24/74 Clerks report and correspondence NONE

24/75 Items for the next or future agenda NONE

24/76 Date of next meeting – (tbc)
